4. HOW DO I ENTER THE CONTEST?

No purchase is necessary to enter the Contest. Enter using the method of entry outlined below. No entries will be accepted by any other means.

- a) To enter the Contest, listen to the Station weekdays at approximately 8:00 am, 9:00 am, 2:00 pm and 5:00 pm during the Entry Period (the “Entry Window”| Monday-Friday only, excludes Holidays as there will be no contest play those day) for a cue to text and within two (2) minutes of any such cue to text (the “**Entry Window**”), send the Station a message that starts with the Keyword “RUN” along with your name to 969 007. Such message may be sent via a cellular telephone that is capable of two-way messaging. Your carrier’s standard text message or short code message and data rates may apply. By sending a message to the Station in accordance with these Official Rules, you agree to being put on-air by the Station.
- b) Following the close of each Entry Window, the Station will conduct a random draw in Vancouver, BC from among eligible messages received during the Entry Window. One (1) eligible message will be selected at random at each draw and the individual associated with the selected eligible message will be deemed a potential finalist. Non-selected messages will not carry forward to any other draw. The Station will contact a selected entrant shortly after the applicable draw, using the information provided in the message that the entrant sent; however, in the event the Station is unable to make contact with a selected entrant for any reason, then the Station may disqualify such selected entrant and an alternate entrant from among remaining eligible messages received during the applicable Entry Window
- c) Once a finalist is confirmed, the finalist will have the opportunity to play the **Take the Money & Run** game (the “**Game**”). The Station will offer the finalist a choice: (i) take the Money and Run: stop playing the Game and be deemed the potential winner of \$100 (“**Instant Cash Prize**”); or (ii) put the \$100 Instant Cash Prize into the jackpot (“**Jackpot**”) and be entered in the Jackpot draw at the end of the Contest.

If the telephone line is dead when answered, or no audible response is heard, or no one responds after five seconds, the Station will answer the next call in sequence and the next call in sequence will replace that call, and so on and so forth. In the event a call is cut off before all personal data is collected, the Station will use reasonable efforts to make contact with the cut-off caller, provided enough personal information was gathered in order to correctly identify the cut-off caller. In the event two or more calls come through on the same line, all such callers will be advised to hang up and try again, and the next call in sequence will replace that call. In the event the Station answers a call and identifies the caller as an individual already qualified in this Contest or ineligible to participate in this Contest, the Station will answer the next call in sequence and the next call in sequence will replace that call, and so on and so forth.

The Station’s online stream may be a delayed stream of the Station’s radio signal and may vary depending on your computer’s memory capacity and the speed of your Internet connection. For that reason, it is recommended that listeners listen to the Station in “real time” by turning on an actual radio.
