iii. In the event two or more calls come through on the same line, all such callers will be advised to hang up and try again, and the next call-in sequence will replace that call.
iv. In the event the Station answers a call and identifies the caller as an individual already qualified in this Contest or ineligible to participate in this Contest, the Station will answer the next call-in sequence and the next call in sequence will replace that call, and so on and so forth.

The following weekday, the Station will conduct a random draw in Ottawa, Ontario from all eligible messages received during the applicable Entry Window from the previous day (for example, the draw conducted on Tuesday will include all eligible messages received on Monday) (the "**Eligible Messages**").
