Non-selected messages will not carry forward to any other draw. The Station will contact a selected entrant shortly after the applicable draw, using the information provided in the message that the entrant sent; however, in the event the Station is unable to make contact with a selected entrant for any reason, then the Station may disqualify such selected entrant and randomly select an alternate entrant from among remaining eligible messages received during the applicable Entry Window, and so on and so forth, until the Station successfully makes contact with an eligible entrant, such entrant to be deemed a Contest finalist.
